Scorers

Timekeepers

How to use

1. Line 1: the first centre pass of the quarter, once confirmed. Write every other centre pass only once it is taken.
2. The team that scores writes its running total on that line.
3. End of quarter: rule a line, then a diagonal through the unused lines.

Result and signatures

Match won by

Final score — winning team first

Team 1 captain

Team 2 captain
